Say Hi to the Georgia Sky!

People don't agree on a lot of things. But they can agree on Starland Yard. Food, drink, music, experiences—we're a versatile hub of good times. With rotating food trucks, and built-in kitchens for Vittoria Pizzeria, Uncle June's, and TRex, there's always a variety of food for every eater. A full bar with 17 beer taps, wine, seasonal cocktails, and spirit-free selections means you'll never be thirsty.

Far from the crowds but close to culture, we're for locals and newcomers alike.

All-ages? Yes. Immature? Never. An open atmosphere and lively vibe, we give you room to roam—as close to, or as far from each other as you want to be. ★

UPPER PAVILION

Our open-air rooftop courtyard gives you a bird's-eye view of the whole venue. With a bar rail around half of the area, you can lean, sip, and people watch comfortably. Here, our seating is a perfect balance of high-top tables and chairs supported by lounge style ease. Topped with a vine-covered metal lattice and glittering café lights, this stairway access-only space is ideal for parties of 45 or less.

LOWER PAVILION

Just below the rooftop courtyard, this covered area of the same size can hold up to 50 people with table seating. With an 85in. TV, standard seating, a vibrant, hand-painted backdrop, infrared ceiling heaters for chilly days and fans for warm ones, this area is ready for a variety of good times.

THE TURF

This grassy space offers generous table room and doubles as a play area with optional cornhole and giant Jenga, covered by sail shades for a little relief from the hot summer sun. The turf can't be reserved alone; however, the upper pavilion and lower pavilion may be reserved together with the turf added on for an extra fee as a full corner buyout. A corner buyout fits up to 130 people and provides the most versatility for enjoyment.

PATIO

Single Covered Container

Adjacent to the patio, the patio single covered container is a bit more private in its own corner of the yard. This area seats 12 people comfortably, with two flat screen TVs and no standing space. Ideal for watch parties, birthday celebrations, and intimate gatherings of all kinds.

BAR SIDE

Covered Container

Two covered containers. Ceiling and wall fans. This area seats 16-24 people and is a perfect blank slate to add your own personal touches to for branded events, office parties, or personalized gatherings of any kind. And yes, space heaters are available in the cold months.
